

VENUS

Virtual and eMobility for Networking Universities in Society

Veronika Bleyerova

Project carried out with the support of the European Commission, Directorate General for
Education and Culture, under the eLearning programme

Why VENUS?

- **The aim is to internationalize prestigious courses at all interested institutions through virtual mobility – not only at project partner institutions!**
- **Seminars open to public – extension of university target!**
- **Implementation of VIRTUAL MOBILITY to the mainstream offer of Higher Education**
- **Providing HE staff with right background, training, tools and strategy plans on how to do that – first must be tried!**

Faculty of Extension

Aiming to become a best-practice example of the Faculty Extension by testing

- Seminar series
- Summer school
- **Extension of the university's**
 - Target audience by motivating cross-boarder collaboration between higher educational institutions, business, and citizens
 - Geographic border by using technologies as videoconference and live streaming
- **Strengthening of European Identity of citizens**

Educational methodology

- **Well known and highly respected expert in the field**
 - Lecture
 - Answering questions
- **Interactive learning through open discussion**
- **Exchange of opinions with people/experts from different countries**
 - Directly
 - Via chat

Using more senses (listening, watching, speaking) help to remember better than only by reading

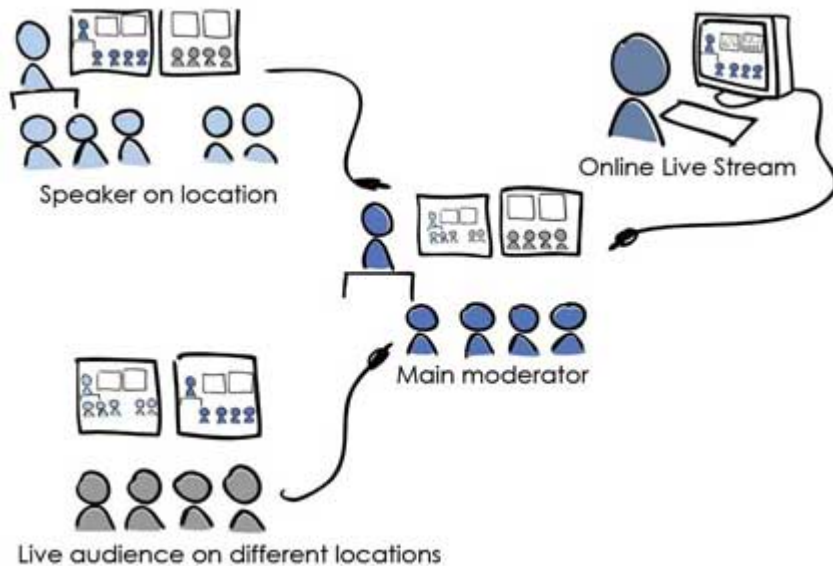

Education technology

- **Videoconference**
- **Live stream**
- **Web site support**

- **Technology test**

Venus Seminars

Welcome to the VENUS Seminars site! VENUS Seminars wants to give you the unique opportunity to participate in seminars. The Theme for the 2006-2007 seminars is "Global Issues for the European Citizen." Locations throughout Europe are available through videoconferencing. At each location, there will be a local expert and a debate in the local language.

- you can find more information on the VENUS Seminars
- you can register for one or more of them
- you can find information on the participating locations
- you can suggest your own videoconferencing location
- you can view the live webstream during the lectures

Please note that you can only register for a seminar after creating an account. If you do not wish to create an account, please contact us by email to [venus\[at\]europace.be](mailto:venus[at]europace.be) REGISTER NOW!

Venus News

The seminar with Jan Hoet has been cancelled. He caught the flu and regrets not being able to do the lecture on wednesday 28th of February.

You can watch the recorded stream of the venus seminar with Stephen Downes at : http://www.avnet.kuleuven.be/venuslive/venus5_1.htm

Our Finnish Partner, TKK Dipoli, will experiment with a Finnish Live stream event! They will organise a Finnish chat with a local expert during the Seminar of Stephen Downes. If you want to participate in the Finnish chat during the live stream please register and find more information at : TKK Dipoli's Venus website
